DESIGN EXPERIENCE

Vizergy | Web Designer | November 2017—Present
 Work with clients through account/project managers to create websites for hotels. This includes designing websites from the wireframe phase to full buildout. After website buildout is complete we also maintain and fix sites, keeping them up to date with the latest technologies and guidelines. Websites are built on an internal CMS where clients can later place their own content.

Store 51/Roomcraft | Designer | April 2015—September 2015
 Designed printed covers for throw pillows on a daily basis. Created around 15 different pillow designs. Collaborated with another designer to create two websites on the Shopify platform. Taking, organizing and editing product photos for display on website and other social media.

Sundance Showpads | Designer | Contract work | June 2014—Present
 Pattern designer for saddle blankets. Designed on-line advertising, branding elements and website.

WORK EXPERIENCE

Publix Supermarkets | Pharmacy Technician | January 2008—December 2013
 Responsible for interacting with customers daily, answering phone calls from customers and doctor's offices. Entering data accurately for local and other area stores.
